

WORK HEALTH AND SAFETY FORM

Please sign and RETURN TO THE TRAINER at the workshop that you are attending.

WIRES has a responsibility to ensure that volunteers are made aware of any risks associated with the rescue and handling of native animals. Those risks can include personal injury, injury to others and the transmission of disease.

Please read page 9 in your RICC manual for Work Health and Safety information.

It is your responsibility as a WIRES volunteer to minimise any danger to yourself and others by correct assessment, wearing appropriate personal protective equipment for the task and following the recommended hygiene procedure (see pages 9-29 in your manual).

The following sections must be completed and handed in to the Trainers at the Workshop you are attending in order to be processed as a WIRES member.

I, (NAME)

(STREET ADDRESS)

(SUBURB)..... (TEL:)

I, have read and understood the Work Health and Safety section in the WIRES Rescue and Immediate Care Training Manual. I understand that it is my responsibility to always minimise any risk factors related to my volunteer activities by following the appropriate safety procedures.

I acknowledge that I may be in close proximity to preserved native animals during the Rescue and Immediate Care Course (RICC) Workshop.

I agree not to hold the organisation of the RICC Workshop, other Applicants and WIRES Inc liable for any injuries I do sustain.
